

KIMS

Konaseema Institute of Medical Sciences & Research Foundation

Hospital with Hospitality

Dr K.V.V.Satyanarayana Raju

Chairman

Hailing from a humble agricultural background, Dr K.V.V.Satyanarayana Raju understood early about the value and importance of a strong education. He graduated with a dual degree in Education and Arts.

Being a tenacious believer in the power of good education led him to pursue the mission of building a self-reliant and empowered nation. This mission went on to lay the strong foundation of Chaitanya Group, which strives to establish quality education right from kindergarten to post graduation courses. The Chaitanya Group continues to scale new peaks and forges ahead laying a path for high-quality education for everyone.

K Ravi Varma

Managing Director

KIMS not only believes in training young talented individuals with technical know-how, but also focuses on a holistic approach of development which includes moulding the student into a skilled and serving professional with a well-rounded sense of ethical selfness.

We believe in providing the best in class equipment, learning materials and take the extra step to ensure that the highest calibre teaching staff work with the students. We take pride in training the student not only to excel as a competent medical professional, but also become a fully rounded individual ready to take on the world as a global citizen.

Vision

To be a seat of world-class education from where doctor and healthcare professionals would emerge empowered to serve the changing needs of society with courage, conviction and compassion.

Mission

To create an ambience for quality education, training and research in the fields of medical sciences, technology & management, thus contributing towards building knowledge, development and economic growth of the nation.
